

SATIR VIDEO DAY

March 20, 2010

9:30 am to 4:00 pm

3B Tudor Village

1315 Summit Drive, Kamloops BC

Come join us for an inspiring, experiential day of learning and reconnecting with Virginia Satir and Dr. John Banmen ON video/DVD. We will be watching and experiencing Virginia and John tapping clients' LIFE ENERGY through surfacing yearnings and establishing positively directional goals. As the goal setting process is experiential, this VIDEO DAY will also be experiential. This promises to be fun, inspiring, and educational.

This is a wonderful opportunity to reconnect with Satir trained therapists, counsellors, healers and educators.

Linda Lucas, Satir Institute of the Pacific Membership Director with the support of Jennifer Barrett, past Membership Director and current Membership committee member, will facilitate the Video Day group experience.

Certificate of Completion will be given out
